

**Draft Acquisition Plan received by OIA**

Agency/Authority confirms *SAIPP Procedural Guidelines* (Project Inception) have been followed.

Following review a decision is made whether a Standard IP Plan or Tailored Industry Participation is the most appropriate.

This decision is communicated to the agency/public authority

**Tailored Industry Participation Plan (TIPP)**

OIA assigns a Case Manager to the project

Case Manager makes contact with relevant officer in Agency/Public authority

Case Manager negotiates TIPP format with Agency/Public authority prior to tender release

The agreed TIPP format is signed by the Industry Advocate and Case Manager returns to Agency/Public authority for tender release.

Case Manager confirms Agency/Public authority has followed Tender Preparation section of *SAIPP Procedural Guidelines*

Case Manager confirms Agency/Public authority has followed Tender Assessment section of *SAIPP Procedural Guidelines*

On behalf of Industry Advocate the Case Manager advises Agency/Public authority if any final negotiation is required

Agency/Public authority informs Case Manager of successful tenderer and contract term.

Agency/Public authority notifies Case Manager of contract execution or project commencement date

**Contact: assigned Case Manager**

**Standard Industry Participation Plan (SIPP)**

Agency/Public authority follows dot points in Tender Preparation section of *SAIPP Procedural Guidelines*

Agency/Public authority follows dot points in Tender Assessment section of *SAIPP Procedural Guidelines*

Industry Advocate advises if any final negotiation is required

Agency/Public authority informs OIA of successful tenderer and contract term.

Agency/Public authority notifies OIA of contract execution or project commencement date

**Contact: IPP Coordinator**
